ABSTRACT OF THE SESSION: CRC Club, SMC organized 'Mahaveer Placement Drive 2024' on 17th February, 2024.

The main objective of a placement drive for students is to facilitate their entry into the professional workforce by connecting them with potential employers. These events are designed to showcase students' skills, qualifications, and readiness for employment, providing them with opportunities for interviews and job offers. Placement drives aim to bridge the gap between academic learning and practical work experience, helping students secure positions that align with their career goals. They also offer employers a platform to identify and recruit talent that meets their organizational needs, benefiting both students and companies in the hiring process.
