**ABSTRACT OF THE SESSION:** NSS,MCC organized ‘Think Beyond a Degree: Explore Unique Education for better Career Options Seminar’ on 13<sup>th</sup> Dec 2021.

The main objective of this Seminar is to empower individuals with the knowledge and tools to navigate and leverage alternative educational pathways for enhanced career opportunities. In an ever-evolving job market, traditional degrees are no longer the sole route to success. This seminar aims to broaden participants' perspectives by introducing them to diverse learning modalities such as online courses, boot camps, micro-credentials, and experiential learning. It seeks to equip attendees with the skills to evaluate and align these educational options with their career goals, ensuring relevance and marketability. Additionally, the seminar focuses on the development of transferable skills, critical for adaptability and success in various professional environments. By fostering an understanding of non-traditional education and its potential, the seminar prepares participants to make informed decisions, create personalized learning plans, and build robust professional networks, ultimately enhancing their career trajectories.
