ABSTRACT OF THE SESSION: Techno Club, MCC organized 'Graphic Designing Seminar' on 10th January, 2022.

The main objective of this seminar is to equip participants with fundamental and advanced graphic design skills using two industry-standard software programs. Over two days, attendees will gain a comprehensive understanding of key design principles such as color theory, typography, composition, and layout. The seminar aims to build proficiency in CorelDraw, focusing on vector graphics, logo design, and complex illustrations. Simultaneously, participants will develop expertise in Adobe Photoshop, learning advanced image editing, photo manipulation, and digital painting techniques. Through hands-on projects and guided practice, attendees will enhance their creative abilities and produce professional-quality designs. By the end of the workshop, participants will have a robust foundation in graphic design, enabling them to create visually compelling and technically sound artwork, and a portfolio showcasing their newly acquired skills.

ABSTRACT OF THE SESSION: Techno Club, MCC organized 'Power Point Presentation Workshop' on 21th – 22th May, 2021.

The main objective of this workshop is to empower participants with the knowledge and skills needed to create and deliver professional, impactful presentations. Attendees will gain a comprehensive understanding of PowerPoint's features, from basic slide creation and design principles to advanced techniques such as multimedia integration, interactive elements, and effective data visualization. The workshop aims to enhance participants' design aesthetics, technical proficiency, and presentation delivery, enabling them to communicate their ideas clearly and persuasively. By the end of the workshop, participants will be confident in their ability to create engaging presentations tailored to diverse audiences and purposes.

ABSTRACT OF THE SESSION: MCC organized 'Robotics and Artificial Intelligence Session' on 22th Nov 2019.

The main objective of this Session is to equip participants with a foundational understanding of stock trading principles, strategies, and risk management techniques, and to provide hands-on experience through a virtual trading simulation. This Session aims to enable participants to confidently begin their trading journey with a practical grasp of real-world trading dynamics and decision-making processes. By the end of the seminar, participants will have a solid understanding of stock trading fundamentals, strategies, and risk management, along with practical experience from the virtual trading simulation.

ABSTRACT OF THE SESSION: Techno Club of SMC organized in association with REGEX Software Services 'Advance Excel Program' on 4th March, 2024.

The main objective of the Advanced Excel Program Session is to equip participants with comprehensive, high-level skills in Microsoft Excel, enabling them to perform complex data analysis and enhance productivity in their professional tasks. This Session aims to deepen participants' understanding of advanced Excel functions, formulas, and data visualization techniques. It focuses on enhancing their ability to manage and manipulate large datasets efficiently using tools like Power Query and Power Pivot. Additionally, the Session introduces automation through macros and VBA, allowing participants to streamline repetitive tasks and improve their workflow. By the end of the Session, participants will be proficient in leveraging Excel's advanced features to solve complex problems, make informed decisions based on data insights, and present their findings in a clear and impactful manner. This Session is designed for professionals seeking to advance their Excel expertise to drive efficiency and effectiveness in their roles.
