## Criteria VI: Governance, Leadership and Management

### 6.5 Internal Quality Assurance System

#### Metric ID 6.5.1

**Description:** This appeal seeks a reconsideration of the marks assigned for **Criterion 6.5.1**, which pertains to the significant contributions made by the Internal Quality Assurance Cell (IQAC) towards institutionalizing quality assurance strategies and processes within the college. This criterion acknowledges the pivotal role of IQAC in systematically reviewing the teaching-learning process, operational structures, methodologies, and learning outcomes at regular intervals, and in documenting the incremental improvements across various institutional activities.

**Expert Marks:** 2

**Requesting Marks:** 4

**Explanation:** We aim to emphasize the central role played by IQAC in fostering a culture of excellence and continuous improvement throughout our institution. IQAC has established a robust mechanism to monitor and evaluate institutional processes meticulously, thereby enabling the identification of areas requiring enhancement and facilitating the implementation of corrective measures. The IQAC significant role in enhancing quality eminence can be analysed through Academic Excellence, Operational Enhancements and Student Support and Development.

This is also pertinent to highlight that the peer team has acknowledged and appreciated the efforts and functioning of IQAC during their evaluation. The recognition of IQAC's contributions by the peer team further substantiates the pivotal role it plays in advancing institutional excellence.

Given the depth and breadth of IQAC's initiatives, its impact on institutional processes, and the substantial documentary evidence provided, we humbly request NAAC to reassess the marks assigned for Criterion 6.5.1 in alignment with the documentation provided. We are confident that a reassessment will reflect a more comprehensive appreciation of IQAC's contributions toward institutionalizing quality assurance strategies and fostering a sustainable culture of excellence within our institution.
