ABOUT: E-Filing of Income Tax Return

Filing an Income Tax Return (ITR) is a process where taxpayers report their annual income and taxes paid to the government. This process helps determine whether additional taxes are owed or if a refund is due. The ITR includes details about income from various sources, deductions, and tax credits. In India, individuals can file their ITR online through the Income Tax Department's e-filing portal. The process involves selecting the appropriate ITR form, filling in the required details, and submitting the form electronically. Timely filing of ITR is crucial to avoid penalties and ensure compliance with tax.

ABSTRACT OF THE SESSION: SMC organized 'E-Filing of Income Tax Return' on 8th October, 2023 resource person CA Aakansha Tuteja (R Sogani & Associates).

The main objective of E-Filing of Income Tax Returns seminar is to simplify and streamline the process of tax filing, making it more efficient, accurate, and user-friendly. By utilizing digital platforms, taxpayers can submit their returns from anywhere at any time, reducing the need for physical paperwork and in-person visits to tax offices. This method enhances transparency and reduces errors through automated calculations and real-time validations. E-filing also accelerates the processing of returns, leading to quicker refunds and timely resolution of tax-related issues. Additionally, it promotes environmental sustainability by minimizing paper usage. Overall, the primary goal of e-filing is to enhance compliance, convenience, and the overall tax filing experience for individuals and businesses, ensuring a more effective and modern tax administration system.

ABSTRACT OF THE SESSION: SMC in association with ISDC organized 'Future Career in USCMA Seminar' on 8th September, 2023 resource person Mr. Vikas Khosla, Zonal Head, Institution relations (ISDC). The main objective of pursuing a career as a United States Certified Management Accountant (USCMA) is to excel in strategic financial management and decision-making within an organization. The USCMA certification equips professionals with advanced knowledge in financial reporting, cost management, performance measurement, and strategic planning. This expertise enables them to analyze financial data, develop budgets, implement cost-saving measures, and drive business strategies that enhance organizational efficiency and profitability. CMAs play a critical role in bridging the gap between accounting and management, providing valuable insights that inform high-level business decisions. Ultimately, a career as a USCMA aims to prepare individuals for leadership positions, such as CFO or Controller, where they can significantly contribute to the financial health and strategic direction of their organizations.

About: Role of Investment in Wealth Creation

Investment plays a crucial role in wealth creation by enabling individuals to grow their financial assets over time. By investing in stocks, mutual funds, bonds, and other vehicles, one can achieve capital appreciation and generate income. Diversifying investments across various asset classes helps manage risk and ensures steady returns. Additionally, investments benefit from the power of compounding, where earnings are reinvested to generate further returns. This strategic approach not only secures financial stability but also helps in achieving long-term financial goals and independence.

Schedule-1-Day Seminar on Role of Investment in Wealth Creation

ABSTRACT OF THE SESSION: SMC organized 'Role of Investment in Wealth Creation' on 14th October, 2022. The main objective of the Role of Investment in Wealth Creation seminar is to equip participants with comprehensive knowledge and practical strategies for building and sustaining long-term financial prosperity. The seminar aims to provide a deep understanding of the core principles of wealth creation, including income generation, smart saving and budgeting, and effective investment planning. It offers actionable insights into developing personalized financial plans, leveraging diverse income streams, and making informed decisions to grow and preserve wealth. Participants will learn to utilize financial tools, manage risks, and adapt strategies to evolving market conditions and personal circumstances. By the end of the seminar, attendees will be empowered to take control of their financial futures, implement sustainable wealth-building practices, and achieve financial independence and stability.

ABSTRACT OF THE SESSION:

The Department of Commerce and Management at Shri Mahaveer College (SMC) organized an enlightening Live Session on "Career Opportunities in the Stock Market" on July 22, 2024, for B.Com III (P) and B.Com II (P) students. The session was expertly delivered by college alumni Mr. Keshav Goyal, Businessman and a stock market analyst.

The primary objective of this session was to provide students with a comprehensive understanding of the various career paths available within the stock market. The stock market offers a multitude of opportunities, ranging from roles such as stockbrokers, equity analysts, portfolio managers, financial advisors, to regulatory compliance officers.

The session highlighted the importance of regulatory bodies in ensuring the smooth and fair functioning of the stock market. Ethical considerations and the challenges faced by stock market professionals were also discussed, emphasizing the need for transparency and accountability.

By the end of the session, students gained valuable insights into the diverse career options in the stock market, equipped with knowledge about the essential skills, qualifications, and ethical standards required to excel in this field. This session aimed to inspire and guide students towards pursuing rewarding careers in the stock market, fostering a deeper understanding of its operations and the significant role it plays in the global economy.

About: Digital Marketing

Digital marketing is the practice of promoting products or services using digital channels such as search engines, social media, email, and websites. It allows businesses to reach a broader audience more cost-effectively than traditional marketing methods. Key components include search engine optimization (SEO), content marketing, social media marketing, pay-per-click advertising, and email marketing. Digital marketing enables businesses to engage with their audience in real-time, personalize their messaging, and track the effectiveness of their campaigns through analytics. This approach not only helps in building brand awareness but also in driving conversions and fostering customer loyalty. With the right strategies, digital marketing can significantly enhance a company's online presence and overall success

ABSTRACT OF THE SESSION: SMC organized 'Digital Marketing Workshop' on 28th- 29th, September 2022 by Riya Jain, Digital Marketing Consultant. The main objective of this workshop is to enhance your digital marketing skills with our intensive 2-Day Digital Marketing Workshop, perfect for marketers and business owners aiming to boost their online presence.

Day 1 introduces you to the core principles of digital marketing, including SEO, SEM, social media, and content marketing, complemented by practical sessions with tools like Google Ads and social media management platforms. You'll learn to set up and optimize campaigns, ensuring a strong foundational knowledge.

Day 2 shifts focus to content creation and strategy implementation. Discover how to create compelling blogs, engaging social media updates, and effective email marketing campaigns. Learn to use multimedia content to capture your audience's attention. The day concludes with training on Google Analytics, teaching you to track and analyze your campaign performance.

By the end of the workshop, you'll have a solid understanding of digital marketing, hands-on experience with key tools, and the confidence to develop and implement successful marketing strategies.

ABSTRACT OF THE SESSION: SMC organized 'Personality Development & Soft Skill Training Workshop' on 30th - 31th January, 2023. The resource person was Dr. Sonali N Tholia.

The main objective of this workshop is to Preparing for developing a strong personality involves a multi-faceted approach. Gain knowledge about various interview formats (e.g., behavioral, technical, panel, case, stress interviews) and how to approach each type. Develop skills in researching companies, understanding job descriptions, and tailoring responses to align with the company's values and job requirements. This includes how to create a strong personal brand through resume building, LinkedIn profiles, and personal websites that highlight strengths and achievements, improve clarity, tone, and articulation in spoken language to convey confidence and professionalism. In this workshop the participant will be able to adapt to changing circumstances and show resilience, which are highly valued in dynamic work environments.
