**ABSTRACT OF THE SESSION:** SMC in collaboration with Navbharat Memorial Foundation, Jaipur organized 'Innovation, Intelligence & Inclusiveness Conference' on 11th & 12th October, 2019. The conference aimed to study the roles and impacts of commerce, management, social sciences and sciences on Triple Bottom Line: 'Profit, People & Planet, and to deliberate on how best can be attained through 'Innovation, Intelligence & Inclusiveness (3I) in particular. Acronym '3I' (Three Eyes) evokes the sense of looking beyond what we can't see with our two eyes. The third eye reminds us to look deeper dimensions of wisdom and humanity. To attain the same, our conference theme is coined as Innovation, Intelligence & Inclusiveness (3I). Innovation is the call of the day to achieve the desired goals in the best possible manner. Intelligence enables us to comprehend the surrounding around us by 'making sense' of things or 'figuring out what to do'. It acts to maximize future freedom of action and also applies to human and non-human (artificial intelligence). Innovation and intelligence foster faster economic development. The success of growth & development should not be confined to a few but must percolate to the bottom of the pyramid as a sign of inclusiveness.

The conference will foster discussions among the academicians, management practitioners, consultants, research scholars, and policy-makers across the nation on various issues, challenges and advances in the field of commerce, management, social sciences and sciences. This forum will also facilitate them to present their ideas and research findings related to the 'Innovation, Intelligence & Inclusiveness.
