### ABOUT: E-Filing of Income Tax Return

Filing an Income Tax Return (ITR) is a process where taxpayers report their annual income and taxes paid to the government. This process helps determine whether additional taxes are owed or if a refund is due. The ITR includes details about income from various sources, deductions, and tax credits. In India, individuals can file their ITR online through the Income Tax Department's e-filing portal. The process involves selecting the appropriate ITR form, filling in the required details, and submitting the form electronically. Timely filing of ITR is crucial to avoid penalties and ensure compliance with tax laws.
