Clean India Campaign at Jaipur Junction

(1st Oct., 2019)

On 1st October 2019, NSS Volunteers of Mahaveer College of Commerce, in collaboration with Indian Railways, organized a Clean India Campaign at Jaipur Junction. This initiative aimed to promote cleanliness and awareness about waste segregation through the use of different colored dustbins.

The event kicked off with a motivational speech by the campaign leaders, emphasizing the importance of maintaining cleanliness in public spaces and the role of each individual in achieving this goal. Volunteers were briefed on the significance of waste segregation and the proper use of color-coded dustbins.

Throughout the day, NSS volunteers actively engaged with passengers and visitors at Jaipur Junction, distributing pamphlets and explaining the use of different colored dustbins. The color-coded system includes:

1. **Green Dustbins** - For biodegradable waste such as food scraps, vegetable peels, and garden waste. Volunteers highlighted the importance of composting these materials to reduce landfill waste and create nutrient-rich soil.
2. **Blue Dustbins** - For recyclable waste like paper, cardboard, plastic bottles, and metal cans. The focus was on recycling these materials to conserve resources and reduce pollution.
3. **Red Dustbins** - For non-recyclable and hazardous waste such as batteries, medical waste, and sanitary products. Volunteers stressed the need for proper disposal to prevent harm to the environment and human health.

The campaign also included interactive sessions where volunteers demonstrated the correct way to segregate waste and answered queries from the public. Posters and banners were displayed throughout the station to reinforce the message of waste segregation and cleanliness.

By the end of the day, the campaign successfully educated a large number of passengers and visitors about the importance of waste segregation and the use of colored dustbins. The event not only improved the cleanliness of Jaipur Junction but also instilled a sense of responsibility and awareness among the public.

The Clean India Campaign at Jaipur Junction was a significant step towards a cleaner and greener India, showcasing the power of community involvement and collaboration between educational institutions and public organizations.

Workshop on “Say No to Tobacco”

(3rd Oct., 2019):

On 3rd October 2019, the NSS unit of Mahaveer College of Commerce, Jaipur, organized an impactful workshop titled “Say No to Tobacco.” The event aimed to raise awareness about the harmful effects of tobacco use and to promote a healthier, tobacco-free lifestyle among students and staff.

The workshop commenced with an opening speech by the principal, who emphasized the importance of making informed decisions about one’s health and the dangers associated with tobacco consumption. The keynote speaker, a renowned oncologist from a leading hospital in Jaipur, delivered a compelling presentation on the adverse health effects of tobacco. The presentation highlighted statistics on tobacco-related illnesses, including lung cancer, heart disease, and respiratory disorders, and underscored the importance of early intervention and cessation.

Interactive sessions were a significant part of the workshop, where students engaged in discussions, asked questions, and shared personal experiences. These sessions were designed to provide a deeper understanding of the social and psychological aspects of tobacco addiction and the benefits of quitting.

Visual aids, such as charts and videos, were used to illustrate the impact of tobacco on the body. Real-life stories of individuals who overcame tobacco addiction were shared to motivate and inspire participants to make positive changes in their lives.

The workshop also included a pledge ceremony, where students and faculty members vowed to abstain from tobacco use and to spread awareness about its dangers. Informative pamphlets and brochures were distributed, providing tips and resources for those looking to quit tobacco.

The “Say No to Tobacco” workshop was a resounding success, leaving a lasting impression on all attendees. It not only educated participants about the dangers of tobacco but also equipped them with the knowledge and resources needed to lead a healthier, tobacco-free life. The event reinforced the college’s commitment to fostering a safe and healthy environment for its community.
